This work will be found to contain a selection of Anthems, Set Pieces, &c., appropriate to the principal occasions for which music of such description is wanted. Most of the pieces are already well known and have become decidedly popular, but which, being scattered through various publications, it has been difficult to procure in sufficient numbers for the accommodation of choirs. Several new pieces, or those which have not before appeared in this country, are added, which it is believed will prove pleasing and useful.

The work is respectfully inscribed to Choirs and Singing Societies by

THE EDITOR.

* Abridged.
I want nothing. He shall feed me, shall feed me, shall feed me in a green pasture:

and lead me forth, lead me forth, lead me forth beside the waters of comfort,
He shall convert my soul:

He shall convert my soul, and bring me forth in the paths of righteousness for his name's sake.
